### **Advertisement for a position of Post-doctoral fellow in an UGC-ISF funded project**

Applications are invited for the following a position of Post-doctoral fellow (purely temporary post) in a UGC-ISF funded Indo-Israel Joint Research Project entitled “**Interactions of mRNA export factors and nuclear pores characterized and quantified by biochemistry, biophysics and high-resolution imaging**” sanctioned to Dr. Timir Tripathi, Molecular and Structural Biophysics Laboratory, Department of Biochemistry, NEHU, Shillong.

**Fellowship:** As per Gol rules.

**Essential Qualifications:** Ph.D. in biophysics/biochemistry/molecular biology or related subjects with atleast one year post Ph.D. research experience. The applicant must have quality peer-reviewed publications. Atleast four first author publications in reputed International journals is desirable.

Interested applicants can email their detailed **bio-data including mobile number and recent photograph** to **msb.biochem@gmail.com**, latest by **03.05.17**. Hard copy of the application is not required. The date of interview will be informed after primary scrutiny of the applications. No TA/DA will be paid if called for interview. For any other enquiry email at **msb.biochem@gmail.com**.
