Advertisement for the post of SRF in a DBT-funded Research Project

Applications are invited for the post of Senior Research Fellow- SRF (one) to be appointed in a DBT-funded major research project entitled “**Deciphering the molecular mechanisms governing the direct A β aggregation inhibition with the serum protein transferrin: Implications for Alzheimer’s disease**” sanctioned to Dr. Timir Tripathi, Molecular and Structural Biophysics Laboratory, Department of Biochemistry, NEHU, Shillong.

Stipend: As per GOI rules. Rs 28,000/- + HRA (for candidates with NET or equivalent) or Rs 14,000/- + HRA (for candidates without NET) per month.

Essential Qualifications: M.Sc. or equivalent in life sciences (Biochemistry/Biotechnology/Bioinformatics/Botany/Zoology etc) with two years research experience and a good academic record. Experience in Molecular biology/biophysics is desirable.

Interested students can email their detailed **bio-data including mobile number and recent photograph** to **msb.biochem@gmail.com**, latest by **08.02.17**. The hard copy is not required at this stage. Incomplete applications will not be considered. The date of interview will be informed after primary scrutiny of the applications.

For details of the research work of the PI’s group kindly visit **www.ttripathi.webs.com**.

(No TA/DA will be paid for attending the interview. The position is temporary and co-terminus with the project. The other terms and conditions prescribed for SRF by DBT, Government of India will be applicable)
