INVITATION

The Department of Biotechnology and Bioinformatics, North-Eastern Hill University, Shillong is organizing a National Conference on "Recent Advances in Applied Biological Sciences" (RAABS) during 04-05 May 2018. This meet will address a range of critically important areas in relation to Bioscience and Biotechnology under the theme "Innovation in Biosciences". This conference will be a gathering of eminent persons, scientists and professors of biological sciences from all over India. Recent advancements have led to a multidisciplinary applicability of biotechnology. RAABS 2018 will provide an ideal platform to researchers, scientists, academicians and industry experts to share experiences, discuss research findings, acquire the desired knowledge for practical applications and future collaborations. The aim of this conference is to explore the existing concepts, recent findings, controversies, and challenges in all avenues of biochemical and biomedical research.
