Dated: 6th March 2020

Dear All,

This is to inform you that due to certain unavoidable circumstances, which are beyond our control, the proposed National Conference on “Biotechnological Approaches in Cultivation, Sustainable Utilization Conservation of Medicinal and Aromatic Plants” which was to be held on March 14th-16th 2020 is deferred and re-scheduled for a later date. The fresh date shall be intimated to you soon. The inconvenience caused is deeply regretted.

Thanking you
Yours truly

S Rama Rao
