National Workshop On

ANDROID APPLICATION DEVELOPMENT
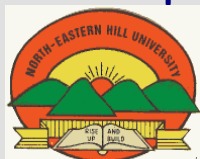

March 11-15, 2019

organized by

Department of Computer Applications

NORTH-EASTERN HILL UNIVERSITY

Tura Campus

Call for Participation

Scope of the workshop

The main objective of the proposed workshop is to give the participants a sound theoretical and practical knowledge about Android Application Development. This Android course dives into the Advance Programming for developing real time app. Participants will also be able to develop minor and major projects using the Android Applications after the workshop which will help them to get edge over other students.   Workshop will have hands on practical sessions too.

Industry Partner

The industry partner of the workshop, Aspirevision Tech Education Pvt. Ltd (AEP) is a Microsoft Authorized Training Partner and is one of the best training organizations which has trained more than 10 thousand students across the country.
