

Dr. Devendra Kumar Biswal
Coordinator

1. Advertisement for the posts of Scientific Administrative Assistant at Bioinformatics Centre, NEHU, Shillong

Ours is a DBT-BTISNet centre focussing on Biodiversity Informatics in north east India and it serves as an information base in various aspects of Biodiversity related to computational biology. Some of our important areas of research are molecular characterization and genome diversity in plants and helminth parasites of medico-veterinary importance with a focus on foodborne trematodiasis. Extensive work on evolutionary bioinformatics and phylogenomics of foodborne trematodiasis specific to the region, next generation sequencing and analysis of selected trematodes, orchids and carnivorous plants has also been established. Our earlier achievements/findings/leads from these above-mentioned projects will form the basis/pillars of the model network project **"Biodiversity Informatics: North-east India Bio-Bank of Codes Network (NIBBCoNet): Bioinformatics Centre @NEHU, Shillong"** The project will be a North-east India centric project in national network mode.

Applications with complete bio-data and a covering letter (SOP) from candidates possessing the required qualifications are invited for the following project position in the DBT, GOI-funded project **BIODIVERSITY INFORMATICS: North-east India Bio-Bank of Codes Network (NIBBCoNet): BIC at North-Eastern Hill University, Shillong"**.

Duration: 3 Years

Posts:

1. Scientific Administrative Assistant

Essential Qualifications:

i. M.Sc. in Computational Biology/Bioinformatics/in area of Life Sciences from UGC-recognized University.

Experience:

Knowledge in computer Application with expertise in Office automation, bioinformatics tools and techniques, scientific illustration (Science artist)

.

Emoluments: @Rs.18000/-+16% HRA pm. (i.e. Rs.20880/-) Increment of 15% for every 3 years of experience.

Age limit for the post will be as per DBT sanction order and rules. OM No. SR/S9/Z-05/2019 dated 10.07.2020.

The applications may please be submitted in the email devbioinfo@gmail.com within 10 days from the date of publication of this advertisement. The advertised posts are purely temporary for the duration of the project and subject to availability of the funds from DBT. The appointment does not confer any entitlement or right over the posts for absorption in the University service.
