Walk-in-interview for the post of Project Associate

Applications are invited for the position of Project Associate (01) in the project **entitled “High shear technology for developing zinc oxide tetrapod-based biodegradable edible coating and packaging for prolong postharvest life of Button Mushroom (*Agaricus bisporus*)” under the SERB-SRG research fund. The selected candidate may be enrolled in Ph.D programme from the department of Nanotechnology, North- Eastern Hill University (NEHU), Shillong, Meghalaya based on the university rules and regulations.**

<u>Essential Qualification:</u>	Masters in Nanoscience/ Nanobiotechnology/ Biotechnology/ Biochemistry/ Microbiology/Food technology/ Chemical Engineering/ Agriculture or Bioprocess Engineering and its allied subjects.
<u>Desirable Qualification :</u>	Work experience in Nano-Biotechnology including synthesis of nanomaterials, nano emulsions, bioactive nano-formulations and nano-coatings, packaging, shelf life extension of fruits and vegetables, and post-harvest management is highly desirable.
<u>Fellowship per Month:</u>	Rs. 31000/- + HRA (16%)
<u>Tenure of Appointment:</u>	One year from the date of appointment, extendable subject to performance review.
<u>Last date of application:</u>	19 May 2024
<u>How to apply:</u>	Interested candidates should email their CV/ biodata, photocopies of certificates mark sheets and evidence of any other academic credentials to: <u>shrutishukla@nehu.ac.in</u> / <u>shrutishukla1983@gmail.com</u>
<u>Tentative Date of interview:</u>	21 May, 2024
<u>Venue:</u>	Department of Nanotechnology, School of Technology, NEHU, Shillong

General Terms and Conditions:

1. No TA/ DA will be paid for attending the interview.
2. Candidates have to produce the original certificates/ mark sheets of their educational qualifications and other claims at the time of interview.
3. The decision of the selection committee will be final.
4. The position is entirely temporary and co-terminus with the project.
5. The selected candidates are requested to join as immediately and also should register Ph.D in Nanotechnology department.
