

No: ENE/ LE-M-04/2022-23/02

August 18, 2022

Notice

It is notified to the following candidates that the Admission Test for B.Tech lateral Entry, 2022 in the Department of Energy Engineering will be conducted on 26th August 2022 (Friday) from 11:00 am to 12:00 pm through **online mode**. The details of the examination and procedures will be communicated through email. Candidates are requested to check their respective emails. It is to be noted that the selection to appear for the admission test is based on the information submitted/claimed online by the respective candidates. Any discrepancy/misinformation or non-full fillment of admission criteria as found at any stage during physical document verification or later will result in forfeiting the seat allotment as the case may be.
