INVITATION

You are cordially invited to attend the "National Symposium on Recent Trends in Zoological Sciences" to be held on 28th & 29th February, 2020 organized by the Department of Zoology, North-Eastern Hill University, Shillong. The symposium will provide a platform for interactions of young scientists with leading researchers of the country. Original contributions in the form of oral/ poster presentations are invited in the field of Zoological Sciences.

SCOPE OF THE SYMPOSIUM

The Department of Zoology was established in 1974 with a limited number of Faculty and facilities. During the last 43 years, the Department has made all round progress and acquired a position among the leading departments of NEHU and other Universities of India. The department is involved in research in several major disciplines of Zoology, e.g., Genetics, Endocrinology and Reproductive Physiology, Molecular Cell Biology and Immunology, Biochemical Adaptation and Metabolic Regulation, Limnology, Developmental Biology, Fish Biology, Helminthic Parasitology, Insect Physiology, etc. During the last 43 years the Department of Zoology of NEHU has emerged as a Centre of excellence for higher education and research in zoological sciences in the North-Eastern region as well as in India.

The Department has selected 'Faunal Diversity and Eco physiology' as its major thrust area for research with special reference to the North Eastern India. Based on the overall academic and research contributions, the Department was sanctioned DRS project by the UGC (New Delhi) in 1991 followed by 3 phases of DRS and 3 phases of DSA under 'Special Assistance Programme' of the UGC. The department is currently supported financially by the UGC -SAP in the form of DSA Phase -III programme. Rapid advances are made in a large number of disciplines of animal sciences all over the world. Regular meetings of leading biologists and young researchers are of immense help in highlighting recent findings, new concepts and future directions of research in Zoological Sciences.

The proposed national symposium would provide an ideal platform for the scientists/ academicians/ researchers from different parts of India to present their research findings, to interact and exchange views with fellow researchers and experts and to deliberate on the future issues in thrust areas relevant to national priorities.

ABOUT NEHU, SHILLONG

North-Eastern Hill University was set up by an Act of Parliament and notified on 19th July 1973. The objectives of the University, as laid down in the act, are "to disseminate and advance knowledge by providing instructional and research facilities in such branches of learning as it may deem fit; to pay special attention to the improvement of the social and economic conditions and welfare of the people of the hill areas of the North-eastern region, and in particular, the intellectual, academic and cultural advancement".

Popularly known as NEHU, the university stands tall in the northern part of Shillong in its green, lush picturesque and homely atmosphere. Being the oldest Central University in the region, NEHU caters to students and scholars from all parts of the north-eastern region as well as also from other parts of the country and abroad.

HOW TO REACH SHILLONG

Shillong is 125 km away from Guwahati Airport and 100 km from Guwahati Railway station. After reaching Guwahati airport/railway station, one may hire a taxi/deluxe bus/Tata sumo to reach Shillong town and can then take a local taxi to reach NEHU campus. While hiring a reserved taxi from Guwahati, one should come directly to NEHU campus, Umshing-Mawkynroh, Shillong -793022.
