North-Eastern Hill University (NEHU), Shillong

Workshop on

AI-Driven Ethical Research: Discovery to Publication

EXPLORE • LEARN • USE ETHICALLY

Responsible AI for research discovery
Academic writing and publication
Hands-on tools and best practices

IMPORTANT:
Bring Your Smartphone
Research scholars are requested to bring their smartphones for hands-on demonstrations during the workshop.

About the Workshop

Artificial intelligence is increasingly influencing how research questions are explored, evidence is analysed, and scholarly work is prepared for publication. This workshop focuses on the ethical and responsible use of AI through the research journey—from discovery to publication—with research integrity and transparency at its core.

Who can join?

PhD scholars of NEHU (Shillong & Tura campuses) from all disciplines. Tura Campus students and faculties may join online.

Programme Date
20 November 2026
(Friday)

Time
10:00 AM onwards

Venue
Golden Jubilee Auditorium, NEHU, Shillong

Registration Deadline
15 November 2026

The lectures will be focused on the following topics:

1. AI for Research: From Discovery to Publication.
2. Research with AI: Tools, Techniques, and Best Practices.
3. Transforming Academic Research through Artificial Intelligence.
4. AI-Enabled Research, Academic Writing, and Ethical Use.
