

INTERNATIONAL WEBINAR

ON

Design of Wind Turbine System Controller for Enhanced Performance

International Webinar Co-ordinator: *Shri Sanat Das*

Organized By

DEPARTMENT OF ENERGY ENGINEERING

NORTH-EASTERN HILL UNIVERSITY

SHILLONG-793022, MEGHALAYA, INDIA

<http://www.nehu.ac.in/>

○ **Scope of the Webinar:**

The webinar on “Design of Wind Turbine System Controller for Enhanced Performance” is being organized to showcase recent advances in design of wind turbine system controller. Keeping in view the recent research progress made in these areas, this webinar will provide a platform for interaction among the leading scientific community and young researchers.

○ **Theme Areas:**

- Renewable Energy
- Wind power system
- Controller design
- Electro-hydraulic system

Dr. Bikas Kumar Sarkar
N.I.T. MEGHALAYA

Invited Talk:

Date: 25th February, 2022

Time: 11:30 AM – 12.30 PM
