Dear Shri Amit Khare,

The Government of India is organising a global summit on **Responsible AI for Social Empowerment (RAISE 2020)**. The summit to be held virtually from **October 5 - 9, 2020** will be inaugurated by Hon'ble Prime Minister of India, Shri Narendra Modi.

India is scripting a new narrative of social transformation, inclusive growth and empowerment, using the power of technology where AI and emerging technologies are the key thrust areas. RAISE 2020 is aimed to unveil India's vision for AI, showcase talent, create awareness and launch an action roadmap. It will focus on 5 distinct themes, viz. Responsible AI, Data, Collaboration, Ecosystem Development and Empowering a Billion+. Global experts and delegates in research, policy and innovation on Artificial Intelligence are expected to participate in the Summit and share their insight on how to leverage the new wave technology towards betterment of the larger global population.

RAISE 2020 would endeavour to unite different nationalities and stakeholders in developing a joint plan of action relating to the use of AI for solving common governance challenges in areas of Health, Education, Skills, and also address issues around ethics and privacy that the world faces today. Details about the summit, the agenda and the sessions are available on <https://raise2020.indiaai.gov.in/>. I would like to take this opportunity to invite to attend the inaugural session on **October 5 from 7:00PM to 9:00PM**. You are also cordially invited to attend other sessions as per your interest and availability.

Given the importance of the topic, this summit holds a lot of value for students and teachers alike. Keeping this in view, the registration for the summit has been made open for all and is free of cost. I would like to seek your active support in extending the invitation for attending this summit to all students, teachers, professors, academics and administrators. This summit is especially important for all technical institutions such as the IITs, IIITs, NITs etc. I would like to seek the full cooperation of your department in extending this invitation to all the technical higher education institutions. Your support in this matter is greatly appreciated.

Warm Regards,

Yours Sincerely,

(Amitabh Kant)

Shri. Amit Khare
The Secretary,
Department of Higher Education
