I am writing to you to inform about an exciting scholarship opportunity designed to empower and support **students with disabilities from the North East Region of India and Beyond** in pursuing higher education. We kindly request your valuable support in spreading the word among your student community through the display of a poster on your Offices and/ Sub-Offices notice boards, as well as through your social media platforms and student groups and with your network of educational institutions.

Launched in 2016, **Indus Towers Scholarship Program**, a CSR initiative of **Indus Towers Ltd** under its Flagship Program "SAKSHAM", is being implemented by Shishu Sarothi, and aims to provide financial assistance and encouragement to students with disabilities who are economically disadvantaged from the North East Region and beyond, enabling them to pursue their educational goals and fulfil their potential. We strongly believe in the power of education to transform lives and create opportunities for all individuals, regardless of their abilities or background. We have already supported 644 students so far.

We are now accepting applications for the session **2023-24**. The last date of applying is **10 September 2023**. The students can apply on [www.ssscholarship.org](http://www.ssscholarship.org). For any queries, they can connect with us on **+91 7086268549**.

By sharing this information, you would be contributing to the promotion of inclusivity and accessibility in education, helping to bridge the gap and eliminate barriers faced by students with disabilities. Your active participation would greatly enhance the reach and impact of this scholarship program, and together, we can ensure that deserving students are aware of this valuable opportunity.

We kindly request your support in the following ways:

Display the enclosed poster on prominent notice boards across your campus to reach a wide audience of students. The poster contains all the essential information about the scholarship, including eligibility criteria, application process, and contact details. Utilize your social media platforms, such as Facebook, Twitter, and Instagram, to share the scholarship details with your online community.

We would be immensely grateful for your support in promoting this scholarship opportunity. Your assistance will not only help students with disabilities but also foster a culture of inclusivity and equal opportunities within the educational landscape.

Please find the poster enclosed herewith for your reference, and feel free to contact us or the partner NGO if you require any additional information or resources.
