## **NORTH-EASTERN HILL UNIVERSITY**

The North-Eastern Hill University (NEHU) was set up on 27<sup>th</sup> May, 1973, by an Act of Parliament. The objectives of the university, as laid down in the Act, are “to disseminate and advance knowledge by providing instructional and research facilities in such branches of learning as it may deem fit; to pay special attention to the improvement of the social and economic conditions and welfare of the people of the hill areas of the North-Eastern region, and, in particular their intellectual, academic and cultural advancement”.

NEHU has three campuses, one main campus in Shillong located at Mawkynroh, Umshing, Shillong and the Tura Campus located at Chasingre, Tura and the third campus having Deen Dayal Upadhyaya Community College, at Wahiajer in West Jaintia Hills District.

NEHU is an institution with proven academic excellence of higher learning and research, social commitment and cultural interest with a clear vision for its future growth. At present the sanctioned faculty strength is 406. Its student community is drawn not only from different parts of North-East India but also from other regions of the country and abroad.

NEHU has 44 Academic Departments and 2 Centres of study under eight Schools. Eight departments of the University receive special grants from UGC under its Special Assistance Programme (SAP) and three of the science departments also received grants under UGC’s Committee on Strengthening of Infrastructure in Science and Technology (COSIST) programme. The Department of Science and Technology (DST) has extended financial support to six science departments as part of its Fund for Improvement of Science & Technology Infrastructure in Universities and Higher Educational Institutions (FIST) programme. Further, the DST has chosen the University for a Special Infrastructure Strengthening Programme under the Promotion of Universities Research and Scientific Excellence (PURSE) scheme due to the H-index of publications of science departments. In addition, Council of Scientific and Industrial Research (CSIR), ICSSR, UNDP, Department of Science & Technology (DST), Department of Atomic Energy- Board of Research in Nuclear Science (DAE-BRNS), Defense Research & Development Organisation (DRDO), UGC, Ford Foundation, Department of Biotechnology (DBT), and Ministry of Environment & Forest (MoEF), NEC, etc. have awarded a number of research projects to members of the faculty of different departments. The University is the recipient of a number of endowments of various organizations and individuals. Several awards like the Dr. Shankar Dayal Sharma Literary Award, Prof. M. K. Khare Memorial Prize, Smti. Sarada Krishna Iyer Memorial Award, U Tirot Sing Memorial Prize, Prof. M.

N. Karna Young Sociologist Award, Rajendra Kumar Sunheri Devi Jain Charitable

Prize/Award. Kiang Nongbah Award and Dr. D.S. Babu Memorial Award have been instituted. Several members of the faculty of NEHU have been honoured with the high academic awards of distinction in the country. Some of the faculty members are also involved in collaborative research projects with foreign universities. One of the basic ways in which the University endeavours to fulfill its responsibility, as enshrined in its Act, is by focusing its attention on the North-East in its curricular programmes including research.

The Central Library of the North-Eastern Hill University is located amidst lush green pine trees in the heart of the NEHU Campus at Umshing-Mawkyntoh, Shillong, Meghalaya. Department of Law and the Department of Architecture are the only departments that have their respective departmental libraries. The Central Library is equipped with high-end computers and other electronic and audio-visual equipment to provide seamless in-house and online services. The Central Library is an active member of the E-Shodh Sindhu (erstwhile UGC-INFONET Digital Library Consortium) and currently provides online access to

scholarly peer-reviewed online journals and other resources. The Central Library, with a stock of over 3,00,000 books and back-volumes, including a strong collection of works on North-East India, has emerged as a major regional resource centre for scholars engaged in teaching and research.

A Campus Library is also located at Tura, West Garo Hills District, Meghalaya and with an inventory of about 30,000 books in its database, the

Campus Library provides routine services to the students, research scholars and faculty of full-fledged departments. It has assumed a significant role in this part of the state by also catering to the needs of teachers of affiliated colleges and allied institutions.

There are 84 Colleges affiliated to NEHU awarding professional and other degrees. NEHU is among the first few select Universities, which provide affiliation to “Minority Educational Institutions” from all over the country. It is also a member for “Promotion of Indian Higher Education Abroad (PIHEAD)” and “Study India Programme” of the UGC. A large number of ICCR-sponsored students from different countries are pursuing higher studies in the university. The undergraduate colleges affiliated to the University have about 35,000 students on their rolls.

The University takes pride in the fact that its alumni are doing well and are occupying prestigious positions in various walks of life. A large number of our students of the university cleared NET, GATE and other national level tests every year. Of late, there has been an increasing number of on-campus recruitment. The number of students studying in the University is continuously increasing. The University inter alia also offers undergraduate courses in Law and Technology. The University follows a Grading System for all its courses.

## M.Tech in Medical Devices

**No of Seats = 30**

### **Eligibility qualification:**

**Eligibility qualification for admission into M.Tech programme**

**The qualification for admission to M.Tech. programme as follows:**

Candidates who have passed B.Tech./B.E in Biomedical Engineering / Bio-instrumentation/ Medical Electronics / Biochemical Engineering / Biotechnology / Electrical Engineering / Electronics and Communication Engineering / Mechanical Engineering / Computer Science and Engineering / Information Technology / Instrumentation and Control Engineering / 4 year physiotherapy programme / B. Pharma / M. Sc in Biomedical Instrumentation / Electronics /Instrumentation / Physics/ or all other allied engineering disciplines with a minimum of 60% marks (55% for SC/ST candidates) in aggregate or 6.0 grade points on a 10 point grading scale (relaxable by 0.5 Credit for SC/ST candidates) from University / Institute recognized by UGC or equivalent regulatory authority.

### **FELLOWSHIPS/ SCHOLARSHIPS/STUDENT'S AID FUND**

Junior Research Fellowship (JRF) are open to candidates who are not more than 35 years for men and 45 years for women as on **1<sup>st</sup> July** and have obtained a Master's Degree of a recognised University securing a minimum of 55% marks and have qualified in the National Eligibility Test (NET). UGC may also award fellowships to research scholars who may have cleared NET. A few NEHU Postgraduate Scholarships are available to meritorious students who have passed their Honours degree examinations securing a minimum of 55% marks and are pursuing their postgraduate studies at NEHU. The University at its discretion may also award a scholarship to a fresh candidate of the final class taking into account his/her performance at the previous examination if he/she has obtained at least 55% marks (5% relaxation for SC/ST students). A student who is in full-time employment will not be eligible for these awards or scholarships.

Financial assistance to poor and deserving students is provided under Students' Aid Fund for payment of tuition fees, examination fees, purchase of text books, stationery expenses; to meet hostel charges, expenses on clothes and emergency medical expenses; or to grant interest free loans for deserving students and to meet any other needs of the students considered to be genuine by a special committee constituted for the purpose.

### **HOSTEL ACCOMMODATION**

There are a few hostels providing seats to a limited number of male and female students in both Shillong Campus and Tura Campus of NEHU. Students seeking hostel accommodation in Shillong Campus shall apply to Dean, Students' Welfare (DSW), North-Eastern Hill University, Shillong, through their respective Heads of department, after completing the process of admission. For Tura Campus, students may apply for hostel accommodation to the Pro-Vice-Chancellor, NEHU, Tura through the Head of the Department.

**Admission to a course of study in the university does not bestow any guarantee or right for hostel accommodation. Further, due to exhaustive renovation being taking up in some of the hostels, the University may not be able to meet the hostel for the academic session 2026-27.**

### **LIBRARY**

NEHU has a Central Library in Shillong and a Campus Library at Tura Campus. Further, several departments of the university are maintaining collection of books and reports related to their teaching and research activities and for easy access to the students of the department.

### **TRANSPORT**

The University has its own transport system. There are a number of buses operating from the campus to different points in the city at regular intervals. All students of NEHU need to pay a prescribed nominal fee, which entitles them to avail the facility.

### **STUDY TOURS/FIELD VISITS/ TRAVEL CONCESSION**

The University facilitates study tours/field visits conducted by the departments to any part of the country. Students are provided with concessional train fare and a modest daily allowance for the entire period of the study tour/ field visit. Rail travel concession is also provided to all the

students for their research/field work and other academic activities. Rail travel concessions are also available to students visiting their hometown during vacations.

### **NATIONAL SERVICE SCHEME**

The National Service Scheme (NSS) Cell, located in the main Shillong Campus and sponsored by the Ministry of Youth Affairs and Sports (MYAS) of Government of India, envisages utilizing free time of students for social work. The scheme operates in 35 affiliated colleges of NEHU in the state of Meghalaya. The NSS Cell has been successfully implementing the charter of the scheme in past years. Many new innovative schemes of student's activities are being implemented and new colleges are being inducted.

### **SPORTS FACILITY**

The Department of Sports facilitates different sports activities at the University and the colleges affiliated to NEHU. The department conducts tournaments for students in Shillong and Tura campuses in sports like cricket, football, martial arts, athletics, table tennis, badminton, chess, basketball, volleyball for men and women. Coaching camps are also organized for the students.

The department has coaches for Cricket, Basket Ball and Football. The department has a well- equipped gymnasium for both men and women.

### **UNIVERSITY HEALTH CENTRE**

The University Health Centre provides basic medical facility to the students of the university in the form of preventive, curative and promotive health services. Medical officers are available for consultation at fixed hours as well as for emergency consultation outside duty hours. Medicines are issued to the patients free of cost based on the prescription by the university medical officer. The centre has adequate provision for dressing, injection and for minor surgical procedures carried out in the dressing room. Routine immunization is carried out for all the members of NEHU. First aid service is provided at all the sports meets and tournaments. Ambulance service is provided by the health centre during emergencies for transporting a patient from residence to health centre or a hospital as the case may be. Bio-chemical tests for blood and urine analysis have been started at the health centre. The health centre maintains a list of voluntary blood donors from among NEHU community and arranges for blood donors in case of emergency for the needy among NEHU community as well as for persons outside NEHU. A list of voluntary blood donors is available on the official web site of the University ([www.nehu.ac.in](http://www.nehu.ac.in)).

### **INTERNAL COMPLAINT COMMITTEE (ICC)**

The University has an Internal Complaint Committee for inquiring into complaints of sexual harassment as mandated under the provisions of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. This Committee seeks to protect women employees and students/ research scholars from any act of sexual harassment within the institution and is responsible for addressing and resolving issues of sexual harassment. The major function of the ICC is to work towards creating an atmosphere promoting equality, non-discrimination and gender sensitivity and to promote and facilitate measures to create a work environment that is free from sexual harassment. In this context, programmes for creating sensitization amongst the employees and students are undertaken from time to time by the Committee. It receives and takes cognizance of complaints of sexual harassment at the university and recommends appropriate action in relation to the complaint after conducting an inquiry into the complaint. On the basis of the recommendations of the Internal Complaints Committee, the University may impose penalties as prescribed under the Act on the perpetrator of the sexual harassment.
