

Name & Contact Information of International Student Advisor (ISA):	Dr. R. L. Nongkhlaw, Dean, Students' Welfare, North-Eastern Hill University (NEHU), Shillong – 793022, Meghalaya (India) E-mail: dsw@nehu.ac.in Phone: +91-364-2721180; +91-364-2721182
Location Details:	Shillong, the capital city of the state of Meghalaya, is a hill station located at approximately 1500 m height above the mean sea level. The university main campus is located in Shillong and is spread over 1024 acres of picturesque, gently undulating and thickly forested piece of land. Shillong has temperate climate and is a major tourist attraction in the north-eastern part of India, which is also one of the world's richest biodiversity hotspots. The University also has another campus located at Tura in Garo Hills of Meghalaya which is at a distance of about 323 kms from the main campus in Shillong. The state of Meghalaya is full of natural lakes, reserve forests and waterfalls. Meghalaya as well as other states in the north-eastern part of India are also rich in social and cultural diversity and heritage.
Recognition:	NEHU has been re-accredited by the National Assessment & Accreditation Council (NAAC) as an 'A' grade university in 2017. The University is currently ranked 39 in the University category in the National Institutional Ranking Framework (NIRF) rankings for Indian universities.

A. programmes and Master's degree in the relevant or related subject from a recognized university for admission to M. Phil./Ph. D. programmes. For admission to professional as well as non-professional undergraduate (UG) programmes, the applicant must have passed senior high school (grade 12) examination. The applicant must have a minimum of 55% marks in the qualifying examination. In addition, at the time of admission, a valid student's visa and health certification from the country of origin will be needed.</p>
Other Information About the University:	<p>This university was established in 1973 by an Act of Parliament and is funded by Government of India. The university regularly produces a substantial body of first rate research material in areas of life sciences, physical sciences, environmental sciences, biodiversity, understanding indigenous cultures and their historical and anthropological aspects, linguistic and philosophical links, etc. through 29 PG & 3 P-UG Departments, 2 Centres of Studies, 2 Service</p>

	Centers, 1 Sophisticated Analytical Instrumentation Facility and 1 Biodiversity Cell. Each Department/ Centre has highly qualified faculty with motivation for internationally competitive high quality research. Several faculty members have foreign collaboration in research.
Infrastructure facilities:	NEHU has well equipped teaching class rooms, research labs, Central Instrumentation Facilities, Sophisticated & Analytical Instrumentation Centre, and a Central Library. The campus has its own Voice & Data Network, which connects all sections of the university with high speed link giving internet access across the campus via 1 Gbps NKN link available in main campus in Shillong. All labs have internet connections. NEHU has its own digital online library with access to over 3,500 online scholarly journals through NKN. Many departments have, in addition, smaller departmental libraries and other specialized facility for teaching and research.
Accommodation:	The university offers high-quality single room furnished apartments with an attached bathroom and kitchenette to foreign students in its campus in Shillong. Internet access is also provided in each room. The accommodation is limited and is offered on first-come-first-served basis. No married student accommodation is offered by NEHU.
Co-curricular activities:	University buses for transport, bank with ATMs, post office, departmental store, shopping complex, cafeterias, guest houses, indoor and outdoor sport facilities, gymnasias, health center, etc. are available on the campus. Sports, debates, outings, cultural and other functions and various activities under National Service Scheme are available for students.
Student Support Services:	Admission of foreign students is done by a Central Admission Committee through the Dean, Student's Welfare. Once admitted to a study program, all foreign students are bound by the ordinances/regulations and rules of the university applicable to all students of the university. These are also available on the web site of the university (http://www.nehu.ac.in). They are under general administrative control of the Head of the concerned department and research supervisor.
Fees and Other Charges:	The tuition, hostel and other fees applicable to foreign students are shown below for the academic year 2021-22. Unless changed by the university, the same fee structure shall continue for the following years. Please contact Dean, Student's Welfare for further information. The fees shown below are for one academic year (2 semesters) except for hostels, which are shown on monthly basis.

Fees payable by foreign students:

Foreign students admitted to different programmes of study at NEHU shall pay fee in the following manner at the beginning of each academic year either in US Dollars or equivalent in Indian Rupees as per the prevailing exchange rates:
